

Does Agile Still Work,
or Is It **OLD NEWS?**

+

EARLY DAYS OF AGILE

- Cross-functional teams
- Collaborating in person
- Customer present for feedback
- Building products
- Constantly iterating & testing

+

+

CURRENT STATE OF THE AGILE INDUSTRY

- Adopt Agile practices
- Change culture
- No change to underlying system +
- Agile fails

+

LONG-TERM,
PEOPLE START TO
THINK THAT AGILE
ISN'T EFFECTIVE,
BUT THAT'S
NOT TRUE...

+

AGILE WORKS

IF YOU DO IT RIGHT

Respond to Customers

Adapt to Change

After you organize around **VALUE**
& build the **RIGHT SYSTEMS** –
EVERYTHING FALLS INTO
PLACE AROUND IT

+

The future is fast-paced, evolving digitally, and as it does, it needs a **STRONG FOUNDATION**

● **AGILE STILL WORKS
IF YOU BUILD THE
RIGHT SYSTEM FIRST.**
